

# Onsite Medical Response (OMR) Procedure

**1**

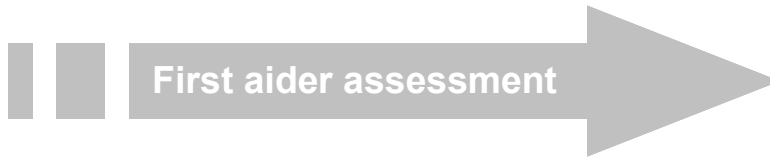

Worksite supervisor and first aider notified of the injury

**FIRSTHEALTH OMR is available  
24 hours a day**

**2**

Workplace first aider assesses the injury

If the injury is life threatening call Ambulance immediately.

If not an emergency contact  
**FIRSTHEALTH**

## In a Medical Emergency Call SA Ambulance Service on 000

**3**

Supervisor or first aider to call the OMR response number

**1300 \*\*\* \*\***

Leave your name, company and contact details

A FIRSTHEALTH Medical Officer will be notified and will call you back ASAP.

We then respond to your worksite to treat and assess the injured worker.

If required we will transport the injured worker to our occupational medical centre
